AUDIENCE PARTICIPATION:

Board Member, Dr. Pantoliano expressed her concerns regarding the Middle School students. She pointed out that the Middle School did not recognize 'Kindness Week' and there were no activities planned for the students. She stated that the Middle School does not get the same recognition as the High School when it comes to sports and after school clubs. She spoke with the Principal, Mr. Bargna and he sent a Survey to the students asking for their input. Dr. Pantoliano said the survey was done poorly and most of the students did not know about it. A discussion ensued with the other Board Members. Mr. Romagnino addressed her concerns and said he would speak with Mr. Bargna.

Another concern was students who are attending the schools and do not reside in Cliffside Park. Mr. Romagnino said he would discuss with The Board and consider scheduling re-registration throughout the school year.

Board Member, Mr. Shelley suggested allowing the public to see the modular classrooms at school #3 and/or school #5. It was decided they would look into On Demand with Cliffside Park Schools and have a segment released to the public.

Mr. Romagnino reviewed the Consent Agenda with the Board Members.

On the motion of Mr. Capano, seconded by Mr. Shelley, all ayes by roll call vote, the following was approved:
